

# Location

Our Toowoomba studio is situated at 610 Rutven Street. It is next to the Shamrock Hotel (towards the Chronicle side of the Shamrock). You will see Millenium Hair Studio at the front. Please enter through the front door and you will see us in the arcade inside. Follow the hallway until it doglegs to the left. After the dogleg, we are the first door to the right. We are near the toilets (very handy!)
